

# Palomares 4-H Gazette September 2019

We are starting a new 4-H year, and are all excited. We would also like to say a special welcome to all the new families who are joining us this year; you are what keeps 4-H going!

## Castro Valley Library Display

Last month Palomares 4-H drafted a library display committee to put together a display of what 4-H is about and a collection of our work in a display case at the Castro Valley Library.

## Fenton's Ice Cream Fundraiser

Last month Palomares 4-H had a booth outside Fenton's Ice Creamery in Oakland. For one month out of each year, Fenton's will donate 10% of the profit on their monthly special to 4-H. This year it was the Ode to Melvin's sundae; each of the 4-Hers there got one! We had a robotics display, an electrical troubleshooting setup and even a violin to entertain us and passersby. We talked to several people about 4-H.

## Articles for Newsletter

The Palomares 4-H Gazette needs articles. If you go to a special 4-H event such as Dog Field Day or National Science Night or the like, and it is an event which would be good to put in the newsletter for the benefit of other club members, please write a short, one-or-two paragraph article about it and send it to me at [william@halsteds.net](mailto:william@halsteds.net). I will cite you as the author, and submitting an article to the newsletter is a requirement to become a super 4-H member, and can get you some recognition; good for record books. I welcome articles from other people, and different authors add variety, not to mention it is not easy to write about an event that I did not attend. So please keep this in mind!

## Fair Youth Livestock Auction

“This summer a few 4-H members sold some animals at the Youth Livestock Auction including 2 cows, 4 sheep, and 10 meat birds. It was fun and exciting and I recommend it for all.”

- Matthew Halsted

---

4-H monthly club meetings are held on the second Wednesday of the month, at 7 pm at the Castro Valley Moose Lodge.

Please sign up for 4-H online at:
